To Whom It May Concern:

I am a neighbor of Ross Roggio. When I moved to the neighborhood Ross was the first person to greet me and he went to great lengths to make me feel welcomed, even inviting me into his home to share a meal with his parents.

Ross is a full time caretaker for both of his elderly parents. He also treats his neighbors and friends with the same helpful dedication. He is the first person to pull out the snowblower after every storm and clean all of our driveways, and will always happily volunteer to help out with any projects that require extra manpower.

Ross is a man of great integrity and dedication and I am grateful to have him as a neighbor and friend.

Ross Roggio represents the best kind of neighbor in the community.

Yours sincerely,
